

CAMP ENROLLMENT TIPS FOR PARENTS

Be sure to connect with your church before trying to signing up for camp.

You must communicate with your church to get the church group enrollment code and enrollment links. You will also need to confirm the camp session your group will be attending.

Enrollment is an online process – We are using a new camp software. You will need to create an account.

Read and review the Camp Guide for Parents and Students.

Group Enrollment is from March 16–May 15. Open Enrollment is from May16–June 1.
All enrollment applications, forms, and payments must be submitted by June 1.

We have TWO camp locations – **Make sure you are selecting the correct camp location on the application.**

If your church is offering a scholarship or financial assistance, those arrangements must be made directly with your church and they will communicated with the MSM office for payment prior to enrollment (**Please note, your church will need to contact MSM prior to March 15th to confirm all payment arrangements**).

Once you complete the enrollment application, there are additional forms, such as the Health Information form, that **MUST** be submitted. Review the Forms section of your Parent Dashboard to complete the forms.

If you have any questions or need assistance, contact your church's group administrator.
